They got in their room and turned on the television.

"Yeah we beat them again", shouted Ashley.

"We would like to thank you trainers by giving you something", said Pikachu.

"What did he say", asked Ashley.

"I don't know, wow look what there doing", said Matt.

The pokemon cracked off two pieces of the moonstone about the size of a baseball and

gave it to ashley and matt.

"Wow, thanks", said Ashley all excited.

"What does a moonstone do", asked Matt.

"Well", said Ashley thinking, " I once heard something about that a moonstone is the

summon of a ancient, legendary pokemon, if you bring it close to the place where it is

than the pokemon is supposed to arise and join the trainer who brought the moonstone to

him", said Ashley.

"Is that why everybody searches for the moonstone", asked Matt.

"Yep", said Ashley.

"Cool, well I guess we better move on to the next town, what is the nearest town", asked

Ashley.

"Hop Hop Hop Town ", replied Matt.

"Hop Hop Hop town", said a confused Ashley doing what ash and misty were doing in

the show where they hopped up and down three times.

"Lets go", shouted Matt.

Well are heroes have just earned a piece of legendary moonstone. Looks like they are

headed to hop town. Till next time see ya
